

Change

For The

*Die Hard, True To No One That Knows And Average Working Class
Dummy That Resonates With*

The Can't Win, Can't Learn And Can't Earn A Thing,

Never Have, Never Will (7 Generations Back),

And It's Not What I Want Anyway

MENTALITY

AND TO WHOM THE WORKING CLASS DUMMY HIMSELF COMMONLY REFERS TO AS A

POVERTY MENTALIST ENGINEER

Yo

YOU Reading The Page.....

First Question,.....You Got A Life That Needs Change?

Well???.....Do Ya?

(And That's A Vewy Vewy *Deep Subject* It Is)

How Are You Going To Change Your Life If You Can't
Change Your Mind, Beliefs, Actions And Thoughts
About

How You EARN And Create Income Online?

Like An Alcoholic Who Quits Drinking And Takes Up Smoking,

Do You Keep Repeating The Same Theory And Concept With Different
Programs And People?

How Are You Going To Change ANYTHING When You Don't Realize That
The Change Starts Within Yourself?

First And Foremost

Your Subconscious Mind Must Be Talked Into, Cohered And Even
Subconsciously Changed Via Brainwave Entrainment And Other New
Scientific And Biologically Proven Technologies And Programs – Just To
Create That Change Inside That Makes You A Winner In Life Instead Of
The Loser And Poverty Mentalist Engineer We Are All Use To Being
Because We Were Brought Up With Those Beliefs And Ideas Of What
Needed To Be Done To Create Wealth In Our Lives.

And Wealth Is Always Nice To Dream Of – But *Get Back To Work* And
Just Be *Thankful You Have A Guaranteed Job* That Makes *Reasonable
Cash* And Once You *Cut Back Some More And Adjust A Little Here And
There* – You'll Be Glad Of That Steady Income Later When You
Retire.....

Oh Wait....That Bubble Burst Recently – All Over The World!!!.

The Sick Are Getting Sicker

The Poor Are Getting Poorer

The Working Class Dummy Is Getting Dummied Through
Pharmaceuticals because

The Greedy Are Getting Greedier

The Sick Are Getting Sicker.....

Because Change Is Coming And The Working Class Dummy

Is Mad As Hell !!!!

And Smartening Up!!

And Learning To Take Action!!!!

Me? – It's Taken 11 Years To Get From That Jim Carey Of La La Land
Mentality And Workin For The Man As A Poverty Mentalist Engineer.
And I Finally Do Realize That Whomever Is Running The Show Of Late On
Planet Earth– Is Certainly Taking Us Local Second Class Citizens To The
Slaughterhouse For Culling Our Financial Futures. They Have Way Over
Marketed And Flooded The Poverty Mentalist Engineer Model By
Providing Worthless Value For The Blood Sweat And Tears Of The
Working Class Citizen.

It's Like The Coup De Ville God Of Industrialization Is Fighting The Slimy
Blood God Of Oil Over Supremacy In The Land Of Oz, The 2nd And
Lower Class Citizens, At The Gas Pumps These Days When The Credit
Card God Of Payment Says It's Time To Give Your All.....And They Take
Your All Away !!!

What A Better Way To Let Someone Know You Don't Want Their
Product At Price Gouging, Economy Breaking Schemes Than To Get All
Working Class Citizens To Start Working From Home On The
Unemployment Line And Subsequently Kicking Them Out Of Their
Houses – A Side Effect Of Not Only Pharmaceuticals And Allopathic
Medicine But Outdated And Environmentally Damaging Manufacturers
Who Think We Need Controlling...Eh?

WTF???? I Think It's Time We **CHANGED** That Scenario

And By God – We've All Been Given A Gift In That

It's Time To Take Action

And

CHANGE

And Gain Control Back In Our Own Lives.

We Seem To Have No Control Over Whom We Work For, How Much We
Get For That Service And What Our Actual Needs And Wants Are And
The Truth Is

It Is Determined By Someone Else

If You Believe It Long And Hard Enough.

If All You Want Is A Job To Pay The Bills – That’s All You Will Ever Have.
Read No More.

And Most Of Us Are And Have Been Working At Jobs We Dislike But All
The While Wishing And Hoping And Praying For More And

Still No Miracles Of Money In Our Pockets.

Learn To Make The Miracles Happen In Your Life Now!!!

We Fall Easy Prey When We Are Disadvantaged And Trust Others To
Advise Us How To Better Ourselves – All The While Hoping We Will
Strike It Rich The Fast, Easy And Effortless Way.

So Where Are The REAL

Multiple Streams Of Income – Flowing Effervescently Throughout Our
Whole Life

Working From Home Opportunities– Enjoying Life, Family, Friends And
Nature

And Getting Back To What The Real Value Of Time Is And Planning To
Use It More Wisely To Better Life?

Where?

Inside Ourselves

And If It's Not Flowing Effervescently

It Needs Changing.

And Every Time We Try And Changing "Us" Fails, Or Doesn't Go As We Expect It To, As Fast And As Immediate As We'd Like It To And As Much As We'd Like To Receive More And More Money Effervescently.

We Lose Hope And Courage And We Refuse To Spend Another Dime To Make More. We Vow Never To Be So Dumb As To Fall For The Same Lines Again In A Business (Or Life) Partner.....

True Wealth Takes Change First

And Patience And Fortitude Second.

And Thirdly

Commitment To Maintaining That Change – No Matter How Uncomfortable And No Matter How Many Times You Fall Down

Keep Standing Up And Starting Again And Use Your Newfound Knowledge To Take You To Success!!.

Be Responsible For Your Errors And Humiliated By Your Cheating And Giving Less Value To Others Than What You Ask For In Money Value.

Wouldn't You Agree That That Attitude Is A Poverty Mentality?

Change to the Abundance Is Everywhere Mentality – Try [Kevin Thompson's Automatic Income System](#) Now and Begin Your Journey To Freedom Through Change!!!

Literally!

Change Begins Within

If You Want To Change Your Income And Raise Above Poverty And High Gas And Food Prices - You Must First Change The Way You Think, Act And Behave About Earning Money.

And What Do You Do When You Aren't A Born Natural And Have No Interest In Trying To Figure Out Your Negative Beliefs, Thoughts, Habits And Actions?

You Look At The New Biology, Science And Other Internet Sources Of What's Going On In The World Today – And You Invest In Yourself And Find Where The Programs Are That Are Worth Value And Can Make The Change You Need In Your Life And Not Just Solve Your Sorry Set Of Circumstances That Has You In A Position Of No Job, No Lover, No Fun, And No Money And Looking To Make A Fast Buck Online .

We Are All In The Same Boat This Time Around!!

EARTH!!!

So Is Your Life And Circumstances Mediocre? Devastating? Crappy?

“Your Life Could Be Crappy” If You Often Refer To That Crap Of Paper In Your Life, And Are Not Just Referring To Paper For Toilets..

Do You Think You Might Have A Problem When.....

You Run Out Of Crappy ?

Or Are You Satisfied To Stay With Crappy And Keep Finding Ways To Bring Crappy Into Your Life To Satisfy Your “Attitude” About Wealth, Money And How You Earn It And What Your Value Is. And Ethics – It’s Gotta Be Ethical – Even A Witch Knows There’s Black And White Magic – Both Are Natural But So Many Other Universal Laws Come To Those That Abuse The True Universal Purpose Of Life

What Makes You Want To Break From The Normal World And Start.....

**Transforming Life Into A Journey Of Love,
Laughter, Learning, Listening
And Most Importantly – LIVING**

And Having Enough Money To Do It With Free Will

Like I Recently Said To A Friend Of Mine, (I Think He's Still A Friend, Not Sure.....But I Do Know His Mentality....And He's A Millionaire That Has Lucked Out Recently After Years Of Poverty And Pain With An Insurance Claim But Has, Amongst Other Mentalities, A Poverty Mentalist Engineer Alignment With Life)

And Pardon My Staunch Candour And Frankness In My Final Words And Question To You

But It's Time To Ask The Same Question Of Yourself And That Is What Type Of Business Do You Want And How Can Any Change You Make In Yourself Be Directly Proportionate To The Price You Pay To Obtain The Value You Want To Receive!!?????

Do You Want.....

A \$20 Dollar Blow Job?

A \$500 Classic One Night Stand???

Or....

A Million Dollar Lifetime Keeper??????????

They Are All Paths That Have Helped Me Tremendously To Get Where I Am Today, And Believe Me – I Am Grateful And Satisfied With Every Penny I Have Spent Because All Of These Programs Were Dependant On

Me Paying A Large Sum Of Money (Energy) In Exchange For The Tools To Transform My “Energy” (Life) And Money (Energy) Situation In Life (Energy).

Have They Worked?

You Bet.

And In Direct Proportion To The Balance Of Energy I Put Into It.

This Ebook Is Living Testament – I Wrote It In 6 Hours – Time Well Spent To Let You Know The Truth Of What Is Needed To Make Money Online Today.

The More Responsible I Am For My Own Actions, Behaviours, Thought And Imagination, The More Of That Energy (Thought, Life, Love, Money) Comes Back To Me – Whatever Energy Or Thought Form You Focus On With Emotion And Practice – You Create In Your Life (Energy) For Real And In Time And So If You Put Honest, Sincere And Helpful Actions (Energy) Out There – You Get The Same (Energy) Back, In Time – 10 Or Hundred Fold.

I Have A Wealth Of Knowledge And Information And Ideas At My Disposal Now Because Of These Programs That Cost Lots Of Money And Lots Of Time – All Time Well Spent In Myself – Because For Me – The Pendulum Is Now Beginning It’s Upward Swing Of Prosperity At The Beginning Of The Second Coming Of A World Economical Depression That Will Force A Lot Of Pendulums In The Opposite Direction Just To Maintain The Poverty Mentalist Model.

And Because Without It – And Much Like The Ego Of A Psychopath – It (The Ego/*Poverty Mentalist Model*) Must Be Banished In Order For The

Newer *Abundance Is Everywhere Model* To Become Firmly Entrenched
In The Unit Of Life (Energy) That Is Changing.

You See – Change Happens Naturally In The Universe Whether We Want
It Or Not. Think Japan, Haiti, Pakistan, Mexico, Oil In The Gulf Of Mexico
And Others... And Mother Earth Is Not Liking

All The Raping And Pillaging In Honour Of Greed And War And
Mankind's Lack Of Change To Improve That Lot.

We Didn't Start The Fire (Billy Joel).....

But As Mankind Progresses Towards 2012– It's My Firm Belief That We
Have Reached The Point Of No Return To Either Remain In This Changing
World And All Be Destroyed In The Process Or We Create The Change
That We All Desire And Have Craved And Come Here At This Moment In
Time To Create..... And When We All Come Together In CHANGE

We Can Change The Past Repetitions And Create A Better Future That
Values Life, Love And Liberty For All!!

I Told You It Was A Deep Well!!!
